# PHARMACY

# Technician

COURSE # 77-90-75

Prepares students for employment in a pharmacy setting and for the PTCB national certification exam, consists of theory and hands-on training in a pharmacy.

Upon successful completion of this course, students will receive a certificate of completion and qualification to be licensed with the California State Board as a Pharmacy Technician; essential for seeking employment.

The competencies in this course are aligned with the California High School Academic Content Standards and the California Career Technical Education Model Curriculum Standards.
