### Information Sessions

On-Campus

**Semester Dates: Aug 15, 2022 – Jan 2023**  
**Monday – Friday 8:00 AM to 3:00 PM**

**U.S. Department of Labor Job Outlook:** Employment of medical assistants is projected to grow 23 percent from 2014 to 2024, much faster than the average for all occupations.

This course contains information and training to prepare students to function as medical assistants through training in ethics, medical terminology, and the preparation of medical forms. In addition, students will gain expertise in the day-to-day functions of the following specialties: ambulatory care, obstetrics and gynecology, pediatrics, out-patient surgery, urology, orthopedics, internal medicine, cardiology, and laboratory.

**Students who successfully complete program hours and competencies receive a certificate of completion and are qualified to participate in industry certification and/or licensing requirements essential for seeking employment.**

Los Angeles Unified School District/Division of Adult and Career Education. All educational and vocational opportunities are available without regard to race, color, nation origin, sex or disability. A lack of English language skills will not be a barrier to admission and participation in educational and vocational programs. Classes failing to meet the minimum class size will be closed according to Division policy.
